

# Universidade Federal de Mato Grosso do Sul

## AGETIC - Agência de Tecnologia da Informação e Comunicação

### Acesso VPN pelo *FortiClient* VPN

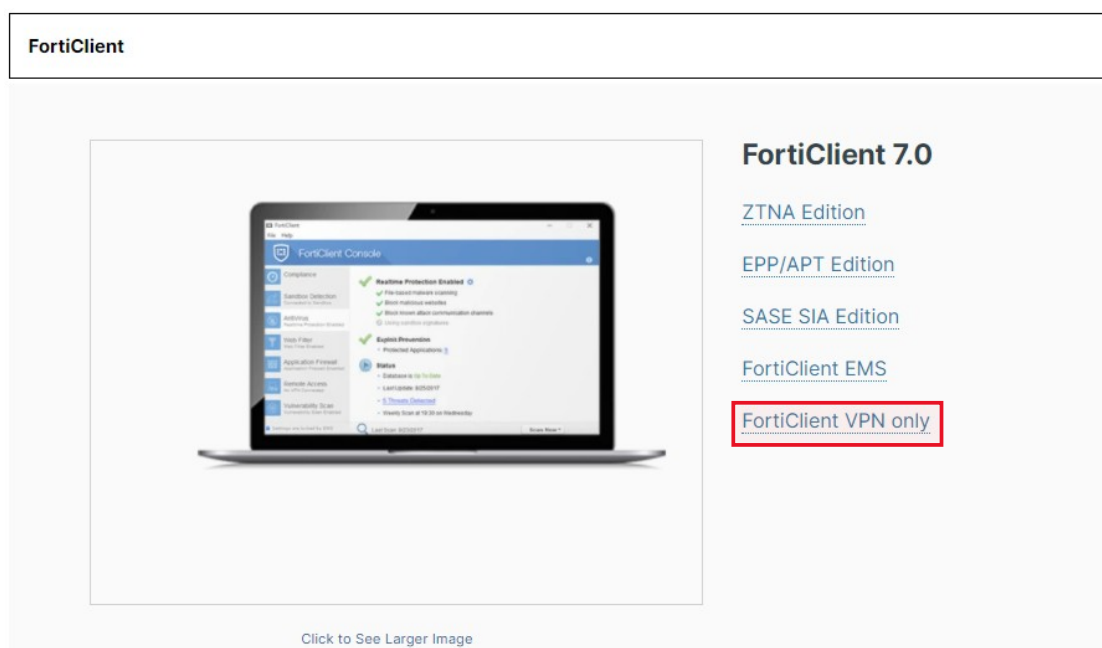

1) Baixar e Instalar o programa para a versão do sistema operacional (para elaboração desse tutorial foi utilizada a versão para Windows)

1.1) Acessar o endereço <https://forticlient.com/downloads> e clicar no botão “Product Downloads”

Fortinet offers free trials on select products through cloud provider marketplaces.

1.2) Clicar no link “FortiClient VPN only”

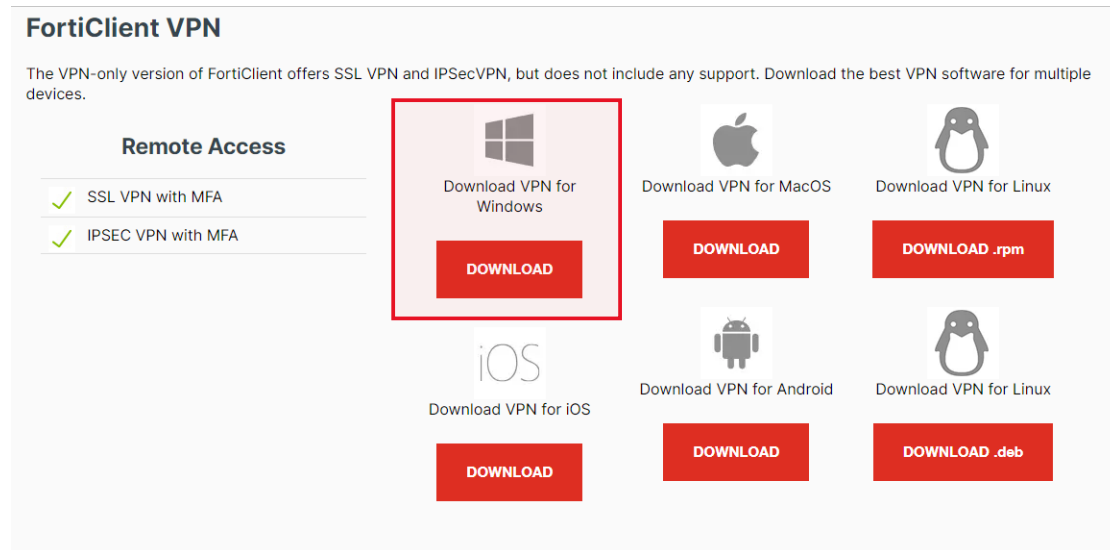

## 1.3) Localizar a versão para o sistema operacional em uso e clicar no botão “DOWNLOAD”

**FortiClient VPN**

The VPN-only version of FortiClient offers SSL VPN and IPsecVPN, but does not include any support. Download the best VPN software for multiple devices.

**Remote Access**

- ✓ SSL VPN with MFA
- ✓ IPSEC VPN with MFA

Download VPN for Windows

Download VPN for macOS

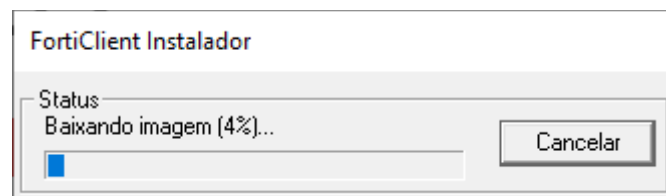

Download VPN for Linux

Download VPN for iOS

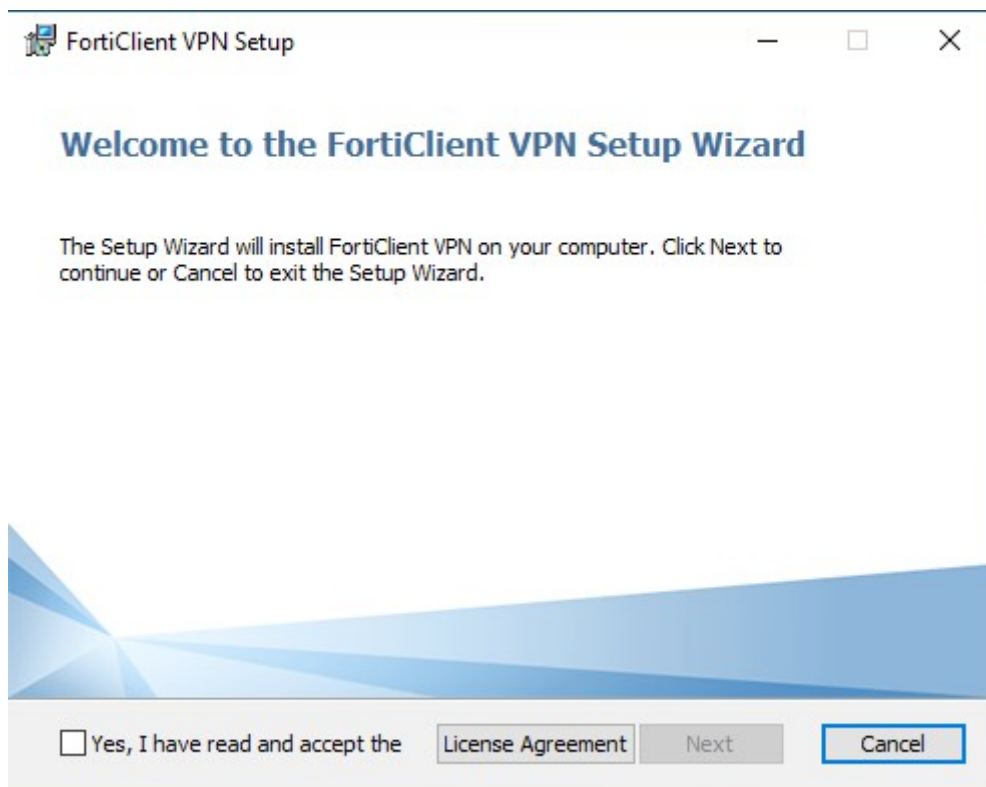

Download VPN for Android

Download VPN for Linux
